

## **ACADEMIC SPECIALISTS**

**Academic Specialists work with teachers throughout the building to improve instruction, develop and modify curriculum, and facilitate integration of curricular areas and technologies.**

**Kay Galuska – Resource Specialist – Ms. Galuska provides coordination and instruction for the READ 180 Program. She also teaches Algebra to any students who qualified for this course.**

**Lori Hillyer – Learning Coordinator – Ms. Hillyer provides overall staff development and coordination of the Communications, Social Studies and Exploratory cadres. She is also responsible for the coordination of numerous school-wide field trips and events, including Go-to-School Night, Sennett's literary publication, cultural integration and end-of the- year awards / ceremonies.**

**Shawn Schroedl – Learning Coordinator – Ms. Schroedl provides overall staff development and coordination of the Science and Math cadres. She oversees student council, new staff training and Homebase curriculum. Also, she is responsible for materials selection, standardized testing, and school-wide integration of technology and TAG.**

**Alex Phelps – Librarian – Mrs. Phelps manages all Library Media Center (LMC) functions and selects all LMC materials and resources. She provides direct instruction to all students and staff on the use of the library catalog, Internet, and online reference services. She is also a member of the Technology Cadre and the district's Paperback and Book Selection Committees.**
