

**Sennett Middle School
ESL Programming
Academic Year 2006-07**

The District has projected that Sennett Middle School will have an enrollment of 125 students who qualify as English Language Learners (ELL) with a DPI level of 1 to 6. Twenty seven of the 125 students will receive programming within our Bilingual setting. Attached you will find the following reference documents:

- Staffing Pattern for 2006-07;
- MMSD Vision, Commitment & Mission Statement;
- ESL and Bilingual Education Staff summary;
- ESL and BRT Teacher Roles and Responsibilities summary;
- BRS Roles and Responsibilities;
- Guidelines for Best Practices for Interpretation Services;
- MMSD ELL Individual Plan of Service sample letter.

You will also receive a binder which contains several documents that should be referenced as instructional tools when working with students who are English Language Learners. These include:

- The Framework for Classroom Instruction and Assessment Domain document for Listening, Speaking, Reading and Writing;
- The Language Acquisition Chart for the Entering, Beginning, Developing, Expanding and Bridging phases of learning a second language;
- Activities list flow chart for providing activity accommodations;
- Instructing English Language Learners power point presentation summary.

The following procedural documents are included:

- ESL Bilingual Transition Process Guide and Transition Form;
- Translation Request Form.
